Dear Kevin & Carla

What a "WOW" Christmas Gift for MNDA of SA ! Thank You !

We can only but imagine all the thinking, planning, organizing and support, going into the amazing fundraising you have accomplished. We are aware that you have planned it over a few months but it took a lot of work to get it all together.

Organising "No White Flags – Riding for MND" for the cycle race alone took some doing and setting up the different websites and facebook pages to make people aware, just shows your determination to raise funds and awareness for, as you so aptly named it "You and Me versus MND" which includes all people with MND.

The Women's Day Brunch was another event that took some planning and coaxing to attract amazing people who gave their time (and money !) to support the day.

We are sure there must also have been quite a few of your family members, friends and acquaintances, and colleagues, who contributed in making such a success of your undertakings and we would like you to thank them all on our behalf.

Kevin & Carla, you make a great husband and wife team and MNDA of SA are so grateful for your dedication to the cause and for your wonderful support. You can be assured these funds will be used to provide and promote the best possible care and support for people living with Motor Neurone Disease.

With our best wishes for the festive season and a peaceful 2014 to you all.

Sincerely
